

PRESENTS

## 2005-2009 BELLAIRE HIGH SCHOOL CHOIR

Ms. Claudia Shaw, Executive Producer of Video Masters, will be responsible again this year for professional videography at our concerts. Claudia brings 23 years of experience in live performance videography to our school and has clients throughout the world. **Video Masters, winner of 6 consecutive Telly Awards, specializes in performing arts.**

These videos will provide hours of entertainment for your family for years. **YOU MAY WANT TO ORDER MORE THAN ONE COPY AS GIFTS FOR GRANDPARENTS OR OTHER FAMILY MEMBERS.**

Availability of professionally produced video at reasonable prices allows you to actually WATCH the performance without being distracted trying to operate camera equipment. Video is also the only way your children can review their own performance. The special techniques used by Video Masters allow professional video during live performance that is unique, of high quality and beyond what can be obtained with ordinary camcorders. Live performance video is the most challenging to produce with good quality due to the highly variable stage lighting and continuous action. Video Masters strives to make your video look and sound just like the actual performance.

**PERSONAL CAMCORDERS ARE PROHIBITED FOR THE PERFORMERS' SAFETY, COMFORT OF THE AUDIENCE, AND TO COMPLY WITH FIRE REGULATIONS. PLEASE NO FLASH PHOTOGRAPHY DURING THE PERFORMANCE AS IT IS DANGEROUS AND DISTRACTS BOTH THE PERFORMERS AND DIRECTORS. ANY USE OF CELL PHONES IS STRICTLY PROHIBITED AS THE TRANSMISSION INTERFERES WITH THE LIVE SOUND, MICROPHONES, AND WIRELESS TECH COMMUNICATIONS. THEY MUST BE TURNED COMPLETELY OFF (NOT ON SILENT OR VIBRATE MODE.) NO TEXT MESSAGING OR CELL PHONE PHOTOGRAPHY.**

Please allow 4-8 weeks for postproduction (due to "performance season") and mail delivery. Call 281-488-0590 if you have any questions.
