

## The Cardinals Lose to the Fish 46-16

The Bellaire Cardinals couldn't get the job done as Madison Marlins beat them 46-16, but learned a lot from the defeat. Good thing because this week the Cardinals face their 2<sup>nd</sup> toughest District Game against Chavez.

Despite being unsuccessful in stopping Madison's offense, the Cardinals did have some moments of glory in the game.....like Sam Harker's 29 yd pass to David Murphy in the 4<sup>th</sup> qtr and a combined total of 322 yds rushing & passing.

Losing to Madison has not dimmed our enthusiasm, our vision, or drive. Seeing is believing so come join the Cardinals as they take on the Chavez Lobos at Barnett Stadium. The Cardinals will be ready with a no nonsense defense and tremendous offensive fire power. As the players say everyday..... We Can...We Will.....Chavez.....Watch out!
